

I live in Memphis Tn where crime is on the rise. K-Love radio keeps us in hope that GOD is still watching over us. Every time I see a K-love sticker on someone's bumper, I know that I am not the only person in this community that is looking to the only power there is to give us a sense of a future for our children. Every day I'm out doing my sales job, I see more and more of these stickers, so I know that there is a growing choir of individuals in this community singing the same songs at the same time blessing GOD and blessing ourselves. Please do not do ANYTHING to interfere with this station being broadcast here. It save lives, it saves souls and maybe even stops road rage and other stress related crimes.
